### FIELD REPORT

4th SEP 2017

VISIT-2

ACTIVITY –FOOD DRIVE

The drive was conducted in a slum area Kadkad near Brij Vihar. It was our active member Akash Verma's birthday and there could be no better thing than feeding the hungry on your birthday.

We distributed food to hungry little kids, their parents were on work for most of them.. so we couldn't have interactive session with them. However, seeing the happy faces in front of us is always a great pleasure.

Here is a short glimpse..

Our team distributing the fresh food packets to the kids.

And this.. the whole team for that day on field.. we had to make special requests to the kids for this click.. some agreed while some where busy emptying the packets.
